

## 2023 EpiphanyRx ACA Preventive Drug List (3/1/2023)

The Affordable Care Act (ACA) requires that eligible people get certain preventive services at no cost. The following categories and related drugs are clinical recommendations in the ACA. They are included in the ACA as preventive services. The ACA was passed in 2010.

Generic drugs are shown in lowercase type. Brand name drugs are shown in uppercase type. The medications below have a **\$0 Copay**. When available and listed below, generic medications are preferred over their brand counterparts, and are covered at the \$0 copay. Note: The list is subject to change and not all drugs listed may be covered on your formulary. Please refer to your EpiphanyRx formulary for a complete list of covered products.

### ASPIRIN THERAPY
